

PUBLIC WORKS INSTITUTE: MODULE 2 "ADVANCED SUPERVISION"

OCTOBER 16, 17, 18, 2017 (MON, TUES, WED)

WHO SHOULD

ATTEND: This seminar is intended for supervisors, team leaders and managers involved in public works.

SUBJECT:

This is the second of four modules in the American Public Works Association's program of instruction in Supervision and Management in Public Works. The program, covering 90 hours of basic and advanced supervision and management, was developed by APWA to meet the training needs of today's public works leaders. This highly affordable program, taught by public works practitioners to public works employees, culminates in a Certificate from the APW Association and meets the educational requirements for certification as a Public Works Supervisor (PWS) or Public Works Manager (PWM).
