Subject: 2018 APWA Northern California Chapter Internship Program

Dear Student,

The American Public Works Association (APWA) Northern California Chapter is sponsoring an internship program to provide career opportunities for future leaders in the public works industry.

The summer of 2018 will mark the Revival of APWA Norcal's internship program. Paid internship opportunities will be available through this program from a variety of employers including public agencies and leading firms in the private sector. Benefits of participation in this internship program include:

- Hands on experience working with leading professionals in the public works industry
- Practical application of your education
- Networking with industry professionals
- Potential future employment opportunity
- Student membership with APWA
- Compensation

To participate in this program, please complete the enclosed internship application form along with all other required supporting documents and submit them via email to William Lai, Assistant Civil Engineer, at [William.Lai@dublin.ca.gov](mailto:William.Lai@dublin.ca.gov) by March 2nd, 2018. For questions or to obtain more information, please contact Mr. Lai at 925-833-6630 or at the above referenced email address. Selected applicants will be invited to participate in a "speed dating" style interview fair with potential employers. The interview fair is tentatively scheduled for March of 2018.

We look forward to working together and building a long future.

William Lai  
Assistant Engineer, City of Dublin  
2018 Internship Committee Co-Chair, Northern California Chapter
